

Bridge Investment Group to Acquire the Business of Newbury Partners, Diversifying Bridge’s Product Offerings and Client Base with Leading PE Secondaries Platform

Accretive Transaction Would Create Combined Organization with \$48.5 Billion in Assets Under Management

Highly Experienced Team Positions Bridge to Capitalize on Growing Secondaries Opportunity Set

Bridge to Host Conference Call Today at 8:30am ET

SALT LAKE CITY – February 14, 2023 – Bridge Investment Group Holdings Inc. (NYSE: BRDG) (“Bridge” or the “Company”) today announced it has entered into a definitive agreement to acquire substantially all of the business of Newbury Partners LLC (“Newbury”), an investment manager that specializes in acquiring limited partnership interests in private equity funds through secondary transactions. The all-cash transaction is valued at \$320.1 million.

Newbury is a leader in the secondaries market, with a focus on acquiring limited partnership interests in established buyout, growth equity and venture capital funds. Founded in 2006, Newbury has raised over \$6.2 billion of committed investor capital across five dedicated funds and has invested in over 500 underlying interests on behalf of more than 250 limited partners worldwide. With \$4.3 billion in fee earning assets under management, Newbury’s experienced management team has a decades-long track record of investment performance. Newbury has a diverse portfolio, attractive institutional investor base, and strong competitive position in the secondaries market.

The transaction would add significant assets to the Bridge platform, while enabling Bridge to expand into the rapidly growing private equity secondaries market, which continues to see accelerating demand. Newbury’s extensive direct sourcing network and middle market focus allow it to benefit from specialized expertise and drive attractive risk-adjusted returns, which strategy aligns closely with Bridge’s own approach to real estate investments. The addition of Newbury would diversify Bridge’s product offerings and expand its institutional client base, with minimal overlap between Newbury’s fund investors and existing Bridge limited partners. Upon completion of the transaction, Newbury will retain its headquarters in Stamford, Conn., and will continue to be led by its long-standing management team.

Robert Morse, Executive Chairman of Bridge, said, “The acquisition of Newbury is a natural next step in thoughtfully expanding Bridge’s investment platform and capitalizing on a value-enhancing growth opportunity. As investors’ allocations to alternative investments grow, we believe growth in the secondaries market will also accelerate.”

Bridge CEO Jonathan Slager added, “This acquisition is expected to be immediately accretive to Bridge’s core earnings metrics. We see significant near- and long-term growth opportunities to further enhance Bridge’s fee related earnings.”

Richard Lichter, Managing Partner and Founder of Newbury, said, “The opportunity in the secondaries market is as compelling as ever. We are excited about the common vision and fit between Bridge and Newbury and believe strongly that the partnership will accelerate our growth within both our existing strategy and adjacent secondaries opportunities. Bridge has the platform to support our growth, and is the natural next step for Newbury. I am confident that this transaction will position Newbury and Bridge for shared success, and we look forward to working closely with the entire Bridge team to realize the benefits of this complementary combination.”

The note purchase agreement is contingent upon closing the Newbury transaction and funding would occur at that time, subject to customary closing conditions. Additionally, the Company has exercised an option to increase its Senior Secured Credit Facility from \$125 million to \$225 million, with full capacity currently available.
